Valley Cheese & Wine

1770 W. Horizon Ridge Parkway, Henderson

702-341-8191

When we're looking for a good wine we seek out this Henderson store. Not only do local owners stock the place with the hard to find stuff, they also provide all the accessories we might need once we've cracked the bottle open. Plus, they offer free wine tastings every Friday and Saturday. Does it get any Better? We didn't think so, either.
